To equip students with an excellent academic foundation, knowledge of the Scriptures, and a Christ-centered, Bible-based worldview, enabling them to glorify God through Christ-like character and service.

Berean Academy's Mission

The purpose of Berean Academy is to provide a program of education which promotes a Christ-centered lifestyle, upholds a standard of scholastic excellence, promotes the principles established in the Word of God, furnishes instruction in a Christian world-view, and prepares students to take their places in the home, in the church, in their vocation, and in their country.

Berean Academy's Philosophy

Berean Academy exists to **give students the tools** to develop a Christian world- and life- view based upon the faith that the origin, purpose, and destiny of life are centered in Jesus Christ, thus enabling them to glorify and honor God in their thoughts, words, and actions.

Core Values

Biblical Authority – The Bible is divinely inspired and without error, authoritative and effective, and sufficient for faith and practice. (II Timothy 3:16-17)

Biblical Integration – The Bible is integrated into every class. (Deuteronomy 6:4-9; Proverbs 1:1-7)

Biblical Worldview – A Bible-based, Christ-centered worldview is taught and modeled. (I Corinthians 1:18-31; 4:15-16)

Educational Excellence – A well-rounded accredited program of academic and extra-curricular activities. (II Timothy 2:15; Colossians 3:23)

Dedicated Qualified Staff – Competent in their field of teaching, modeling Christ-like behavior. (Proverbs 22:29; II Thessalonians 3:7-9)

Parental Partnership – Parents are the primary educators of their children and the school exists to assist them in this task. (Deuteronomy 6:4-9; Proverbs 6:20-23; Ephesians 6:4)

Servant Leadership – Students are challenged and equipped for Christian discipleship and service. (Matthew 28:18-20; I Peter 4:10-11)

Critical Thinking – Students should learn how to process information in the context of articulating God's truth to the world. (Psalms 119:97-104; I Corinthians 2:6-16)

Mutual Respect – Devoted to one another with honor, dignity, and respect. (Romans 12:10-11)

Berean Academy is also a full member of the Kansas State High School Activities Association whose rules and regulations govern our extracurricular activity program.

Students entering Berean Academy for the first time must present a transcript from previous schools before credit can be offered to them. They must also have current test results to establish grade and subject level standings.

Admissions Policy

Statement of Nondiscrimination: Berean Academy does not discriminate on the basis of race, color, gender, national or ethnic origin in its hiring practices, educational/activity programs, admissions policies, or financial aid.

Heart of America League schools stand together in supporting sportsmanship and will not discriminate on the basis of race, color, national origin, sex, disability, age or religion in its programs or activities.

To serve the best interest of the school, the administration reserves the right to deny admission to any student who is evaluated as ineligible. Berean Academy's Biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasion, the atmosphere or conduct within a particular home may be counter or in opposition to the Biblical lifestyle the school teaches. This includes, but is not necessarily limited to, sexual immorality, homosexual orientation, illegal drugs and alcohol, or inability to support the moral principles of the school. In such cases, the school reserves, within its sole discretion, to refuse admission of an applicant or to discontinue the enrollment of a student.

Berean desires to be an **extension** of the Christian home; therefore, school and home must be responsible to one another.

School Directory Information

Soon after the beginning of school, you will receive an official family directory. Please respect the privacy of our school families; we ask that you not use the directory as a source of names for outside sources or businesses or for direct solicitations for non-school business.

The following information is considered "directory information" (under terms of the "Family Educational Rights and Privacy Act") and may be published or disseminated as appropriate: name of student and parents; home address; home phone number; student's birth date; e-mail address(es); class schedule; height and weight (for students involved in athletics); dates of attendance; honors and awards; clubs and teams to which the student belongs; pictures of the student participating in school events. If you would prefer that any or all of this information not be released, please notify the school office in writing, letting us know which information you do not want classified as "directory information."

Berean Academy may release such directory information to college recruiters. If you wish that such information not be made available to any recruiters, please notify the school office in writing.

Access to Student Records

The following agencies/groups have the right to inspect student records without prior written consent:

Parents must receive prompt written notification of the release of student record information when released in response to the judicial process.

No other person may obtain access to information contained within the student record without written consent from the parent.

1.0 CONDUCT & DISCIPLINE PRINCIPLES:

- 1.1 Each teacher or staff member is responsible for his or her room or area.
- 1.2 As a Christian School, the student's conduct is to fall within the boundaries of the principles found in the Word of God. Therefore the following is expected:
 - a. Students are to honor, respect, and obey all staff members as the authority God has placed over them.
 - b. Students are to be considerate of others and give others preference over themselves.
 - c. Students are to help in promoting an atmosphere of wholesomeness, truthfulness, and thankfulness.
 - d. Students are not to lie, cheat, gossip, tease, or exhibit a rebellious spirit.
 - e. Severe offenses, including fighting and cursing will be referred to the Administration.
- 1.3 A lack of cooperation by students may be referred to the Administration for a conference.
- 1.4 Elementary parents will always be notified when any student is referred to the Administration.
- 1.5 The function of the Student Relations Committee is to aid the Administration in disciplinary problems and to set guidelines where necessary. The Committee consists of members of the Administration and selected Teachers.
- 1.6 Discipline may include lunch detentions, after-school detentions, in-school suspensions, or suspension from school. Maximum suspension will include three school days. A suspended student may not be on campus for the duration of his suspension. His/her absence will be considered unexcused. Upon returning, he or she and at least one parent, preferably the father, will be asked to meet with the Administration.

- 1.7 Students on academic or disciplinary probation will be evaluated by the Administration and the Student Relations Committee. Length of probation or termination of probation will be communicated by the Administration. Disciplinary probation may result from inappropriate behavior/activity which happens in or outside of the school day that reflects negatively on the school.
- 1.8 Students on academic or disciplinary probation may not participate in extracurricular activities as long as they are on probation.
- 1.9 The Administration may immediately dismiss a student if the student's offense or attitude warrants it.
- 1.10 The Administration reserves the right to make decisions regarding discipline in situations that are not covered in this handbook.

2.0 CLASSROOM CONDUCT & REGULATIONS

- 2.1 At Berean a student is expected to cooperate with and show respect for each member of the staff. The student's liberty to speak and move about will vary throughout the day, but the student is expected to abide by the standards of the supervising staff and to obey the first time he/she is asked to comply to a regulation. Talking is not permitted while a teacher is lecturing.
- 2.2 There is to be no running or pushing others in the school building. When passing from building to building, walking, NOT running, will be in order. Other than playing on the playground, all other walking on campus is to be on the sidewalks. When entering the high-school buildings for music, physical education, lunch, or at other times, students are to be quiet so as not to disturb classes that are in session.
- 2.3 Since most 7-12 students will have a study hall in their schedule, the following standardized regulations are to be observed:
 - a. Attendance, tardy, and pass requirements will be the same as in a regular class session. The session begins when the class bell rings.
 - b. Students are to study quietly without talking during the first thirty to thirty-five minutes of the period. After this time, students with permission may visit openly.
 - c. Passes for office business will not be issued during the first thirty minutes.
 - d. Passes should be limited by the discretion of the teacher during the study time.
 - e. Special activity passes must be presented for each passage.
- 2.4 Passes will be required of all students leaving the classroom during the class time. Students will remain on campus unless under the supervision of an instructor. Teacher Aides are responsible to their supervising teachers for all passage activity.
- 2.5 **Every faculty and staff member has the authority to question or inspect passes when the students move outside the classroom.** Students are expected to accept and respect this authority. Failure to present a proper pass will result in a ninth hour.
- 2.6 Grades 7-12 Students will have access to the use of both IBM compatible and Apple computer labs as dictated by courses, teachers, and assignments. Students must have permission from the lab instructor to be in the Lab outside of class time. Guidelines for

using either lab are posted in each room. Students are expected to follow proper computer use ethics as indicated by the guidelines and any other written or verbal instructions given by the instructor. Failure to adhere to the written, posted, and verbal guidelines will result in the loss of computer privileges.

3.0 ATTENDANCE

- 3.1 Teachers plan and prepare very diligently to provide the best educational opportunity for the student. Often this includes lessons, which continue to build upon what was learned the previous day. Missing that instruction time can be very difficult to make up. Therefore, regular attendance is highly encouraged.
- 3.2 A student's attendance is very important if he or she is to obtain maximum benefit from the investment at Berean Academy. Therefore the training program at Berean needs to be pursued at such a level of interest and participation that absences will be very rare. Attendance records are often checked by future employers.
- 3.3 **TARDIES:** If a student arrives late, he/she must report to the office for a tardy slip.
- 3.4 **EXCUSED TARDIES:** An excuse tardy would be:
 - one which is accompanied with a written note from the parent when properly arranged for
 - one which is caused because of emergency car difficulty enroute to school or adverse weather conditions
 - one which is arranged by teacher or supervisor
- 3.5 **UNEXCUSED TARDIES:** Junior and senior high students will be permitted three unexcused tardies each semester without penalty. Students will serve a weekly ninth hour for excessive tardies.
- 3.6 Grades 7-12 ninth hour sessions are to be served the week following the offense. Notice of the ninth hour will be posted weekly, and they will be served on Wednesdays after school from 3:40-4:30. If the student misses the ninth hour, two ninth hours will be required of the student and a notice will be sent to parents. Failure to attend the next ninth hour will result in a full day of in-school suspension the following day. A student will not be allowed to participate in extracurricular activities if he or she is serving a suspension that day.
- 3.7 A student may leave school early, providing arrangements are made with the school office **in advance**. Students are required to sign-out or sign-in at the main office upon leaving or returning during the course of the school day.
- 3.8 Students who have to wait after school are not to loiter in school, "drag" the streets of Elbing, or chase around the countryside. A classroom or the library will be open for those who wish to read or study. Students are not to play basketball or lift weights after school without supervision by a faculty member.
- 3.9 **ABSENCES: All absences, with the exception of sudden illness or an emergency, must be PREARRANGED with the office by parents in writing or by telephone if the absence is to be excused. Checking with a teacher and not the office first, does not excuse the absence.** Failure to bring a note or reception of a phone call from a parent will result in

an automatic unexcused absence. An unexcused absence will result in no credit for work due or done on the day(s) of absence. When unexcused, the work missed cannot be made up by the student.

- 3.10 Absences due to illness or family emergency, will be excused if a note from the parent accompanies the child the first day back to school.
- 3.11 **A student may NOT miss class during the last week of the semester, unless an extreme emergency exists.**
- 3.12 Whenever a 7-12 student misses class, he or she is to report to the office upon his or her return to school. A written note from the parents will be required to excuse the absence.
- 3.13 The student is responsible for making up the work he or she has missed. To assist him or her in this, a make-up form is provided by the office.
- 3.14 Make-up forms will NOT be issued for absences due to school-sponsored activities or prearranged absences, but the student is responsible to check with his or her teachers, and whatever work is required must be completed IN ADVANCE, or the student will forfeit credit for that particular assignment, and forfeit the opportunity of participating in these activities in the future.
- 3.15 The student will have TWO (2) school days for make-up time for every day he or she has missed. (Example: If John Doe missed school on Thursday, he will have Friday and Monday to finish the make-up work.) A maximum of two weeks will be granted for make-up work. The teacher may extend this if the circumstances are valid.
- 3.16 Class work missed near the end of a grading period should be made up as soon as possible. The teacher, parents, and student can work out a viable option for makeup work.
- 3.17 All work missed during an unexcused absence and make-up work not handed in by the designated time without a valid reason may prohibit a student from attending and/or competing in extracurricular activities and receiving credit for work done.
- 3.18 **Extended absences from school, except for illness, should be avoided if at all possible.**

4.0 LIBRARY:

- 4.1 THE LIBRARY MUST BE QUIET AT ALL TIMES. Unnecessary talking or other disturbances will not be permitted. Violation of this will result in dismissal from the library and a one-week suspension of library privileges.
- 4.2 The library exists so students will have the opportunity to use its materials and equipment; therefore, any item to be removed from the library must be cleared by the library staff.
- 4.3 A student desiring to check out a book from the library must sign his/her name on the check out card in the back cover of the book.

- 4.4 To check in a book, the student shall return the book to the library and deposit it in the proper place.
- 4.5 A book may be kept for the regular 14-day period unless otherwise stated on the "date due" card.
- 4.6 A five cent per day fine will be levied on all overdue books checked out from the main Berean library, except for reference and overnight books which carry a 25 cent per day fine, if not checked in by 8:15 A.M. on the day they are due. No fines are charged on overdue books checked out from the K-4 library located in the first and second grade building.
- 4.7 If a book is overdue or a fine exists from the main Berean library, that student will not be able to check out additional materials until settlement has been made with the librarian. Quarterly settlement must be made before grades will be issued. This policy is not applicable to the K-4 library.
- 4.8 Encyclopedias must remain in the library. The old sets are exceptions. With permission they may be taken out of the library for use in the school or overnight.
- 4.9 Reserved books will be assigned to special shelves. The reserve book may carry a "Do Not Remove From Library," "Overnight Only," or "3-Day" designation. The book must be used or checked out accordingly.
- 4.10 Magazines and newspapers may not be checked out. Since they are particularly fragile, they should be handled with special care.
- 4.11 After using a book from the shelves, be sure to replace it properly. If you cannot find the correct place, ask the librarian. A misshelved book is a lost book.
- 4.12 Please report any objectionable library materials to the Library Supervisor.

5.0 CHAPEL

- 5.1 Students should come to Chapel with a calm, quiet spirit expecting to meet with the Lord. **BIBLES ARE TO BE BROUGHT TO CHAPEL.**
- 5.2 At this time there is no individual seating arrangement for chapel. However, the various grade levels are to sit together as a class as designated by the administration.
- 5.3 Elementary Chapel will be held at least once per week on the day determined by the staff before the school year begins.
- 5.4 Berean sponsors special series of meetings during the year for 7-12 students, Spiritual Emphasis Week in the Fall and Missions Emphasis Week in the Spring.

6.0 DINING HALL

- 6.1 The Berean Academy dining hall is operated to provide hot lunches under the School Lunch Program for all students. Advance payment for lunches is required. There are no lunches provided for kindergarten students due to their dismissal time.

- 6.2 Students will be served a nutritious lunch daily and are expected to produce a “happy plate.”
- 6.3 If a student has special dietary needs, the parent/guardian should contact the school office. Information about the hot lunch program may be obtained at the school office.
- 6.4 The dining hall supervisor is in charge of the dining hall and is responsible to the Administration for its operation.
- 6.5 When going to the dining hall, students are to walk in an orderly fashion. Running pushing, and other such behavior is out of order. Rules of conduct mentioned elsewhere will be enforced in the dining hall.
- 6.6 Staff members may move to the head of the lunch line.
- 6.7 The lunch line is an excellent place to practice the Golden Rule. Courtesy to others is expected; saving places, moving ahead in the line, shoving, and other such discourteous behavior is not permitted.
- 6.8 Students are expected to use good table manners when eating. Students should not take more food than they intend to eat, then eat all that is taken. Small helpings will be given when requested, providing it is not a requirement of the food service program.
- 6.9 All students using the tables should be careful to pick up paper and crumbs that are dropped on the floor or chairs. Chairs should be replaced in the proper order after your lunch is completed. Please help keep our dining hall clean and neat.
- 6.10 Students who do not regularly eat in the school lunch program, but wish to on certain days, should purchase their tickets at the school office upon arrival at school. First grade through fourth grade students should first proceed to their classrooms. The teacher will then be responsible for purchasing the tickets from the office or will allow the student to go the main office to purchase the ticket.
- 6.11 Students who bring their lunches must eat in the dining room. We ask that no soda be included in lunches brought from home. Food brought from the outside must be cleared with the office in advance.
- 6.12 The **dining hall kitchen is off limits** for all students except those specifically assigned for cleaning and serving under the supervision or with the permission of the dining hall or kitchen supervisors.
- 6.13 Food is not to be taken from the kitchen of dining room without the permission of the kitchen or dining room supervisors.
- 6.14 While in the dining hall, students may visit quietly. Loud talking and boisterous behavior will not be permitted.
- 6.15 Elementary students are given the opportunity to purchase milk for snack time. This is done a semester at a time. Healthy snacks may also be eaten during the time that the teacher designates for this. Candy is discouraged except for special occasions.

6.16 From time to time, a family member or friend may want to bring lunch in for a student. The administration requires that advanced arrangements be made before food is brought in from the outside by a visitor.

7.0 BUS TRANSPORTATION

- 7.1 Whenever possible a written notice should be sent to the teacher when a student is riding home with someone other than the parent of the regular car pool provider. If a note is not sent, the parent must notify the school of the change so the teacher can be alerted.
- 7.2 The driver is in charge of the students and the bus. Students are expected to obey the driver promptly and cheerfully.
- 7.3 **Students must be on time;** the bus cannot wait for those who are tardy.
- 7.4 Unnecessary conversation with the driver is prohibited. Do not talk loudly or distract the driver's attention. This is especially important during bad weather. Remember, your life is in the driver's hands.
- 7.5 Outside of conversation, classroom conduct is to be observed.
- 7.6 For reasons of safety, and state regulations, students must not do the following:
- Get on or off the bus or stand while the bus is in motion.
 - Change seats during the bus ride.
 - Extend heads, arms, or other body parts out of the windows.
 - Throw ANY objects at ANY time on the bus
- 7.7 When leaving the bus, students must observe directions of the driver. If you cross the road, do so in FRONT of the bus AFTER making sure the roadway is clear.
- 7.8 Students should help keep the bus clean and sanitary by placing waste paper and other rubbish in the trash containers provided.
- 7.9 Any damage to the bus is to be reported to the driver at once.
- 7.10 **Radios, cassette and/or CD players, and sunflower seeds are off limits in all school vehicles.**
- 7.11 **During stormy seasons,** students are advised to listen to their home radios for storm warnings and not attempt to reach school when so forewarned. In case of severe snow or ice, **school closing announcements** will be made over KFDI-1070AM and 101.3 FM Wichita, and local TV channels 3, 10, and 12.
- 7.12 Bus transportation, daily to and from campus or for field trips/athletic events, is a **privilege**, and may be **revoked** for infractions of these regulations.
- 7.13 Visitors, or students who do not regularly ride, must notify the bus driver IN ADVANCE if they wish to ride.
- 7.14 Kansas State Law requires that we conduct bus evacuation drills for all students.

8.0 OTHER TRANSPORTATION

- 8.1 Drivers are reminded of the state laws that prohibit the passing of a school bus that is stopped to receive or unload students, speed limits, and no passing when a yellow strip is in the driver's lane of traffic. Any person who passes a stopped school bus with red lights flashing and a stop sign activated will be fined \$100. Defensive, safe driving should be a top priority for every driver.
- 8.2 The **speed limit** on the Berean Academy campus is **15 miles per hour**. Driver's should be mindful of Elementary students before, during, and after school. Sidewalks and grass are not designated driving and/or parking areas. Students are to use designated parking areas only.
- 8.3 After arriving at Berean, automobiles are to remain parked during the day unless special permission is obtained from the Administration. **Students may not loiter or congregate in the parking lot or in cars before, during or after school.**
- 8.4 Students must ride **inside** vehicles at all times, not outside, on fenders, or in the back of a truck bed, etc. All drivers should handle vehicles with the utmost safety in mind.
- 8.5 **Students participating in school activities must ride to the activity in school transportation. Students may ride home with a parent/adult if they have a written note from their parents giving approval and/or their parents sign them out with the sponsor of the activity before leaving. Students may not ride home with another student driver from the activity.**

9.0 TELEPHONE

- 9.1 Students who need to call home may come to the office to use the phone at a cost of twenty-five cents for local calls and fifty cents for long distance calls.
- 9.2 We realize that many older students carry cell phones. All cell phones must be turned off during the school day and are not to be used during the school day without permission. A cell phone that interrupts a class will be taken from the student and returned at the end of the day by the Administration.

10.0 FIRE AND TORNADO INSTRUCTIONS

- 10.1 Berean Academy cooperates with the State Fire Marshal by conducting and reporting unannounced, timed fire and tornado drills. We endeavor to use the best preventative procedures available to maintain our unblemished safety record. Fire and Tornado evacuation instructions are **posted in each classroom**.
- 10.2 The signal for a fire drill/alert is the intermittent, short-dashed ringing and a flashing of the visual indicators located throughout the facilities. The signal for a tornado drill/alert is the continuous ringing of the bell system.
- 10.3 When an emergency signal is sounded, all students and teachers are to leave their work and materials and quickly, but in an orderly fashion, evacuate the buildings according to the posted instructions.

- 10.4 Students will file to their assigned places. Teachers must be able to quickly verify the complete clearance of all students under their supervision. It could mean life or death to someone accidentally left behind in a real emergency.
- 10.5 Students and staff may return to their former activities in orderly fashion at the direction of the Administration.

11.0 USE OF ACADEMY EQUIPMENT AND FACILITIES

- 11.1 All of the facilities at Berean Academy are ultimately the Lord's. He has provided them for His use. It is imperative that each staff member and each student take care of His property.
- 11.2 Those using Academy equipment are responsible for the care of this equipment during its use and for leaving it in its proper location, clean and ready for use by the next class or group. Academy equipment will not be used by students without permission of the person in charge of the equipment. **School computers and internet** are available for classroom use and classroom assignments only.
- 11.3 Thermostats and heaters are to be adjusted only by maintenance personnel and teachers. Students are not to adjust these fixtures.
- 11.4 All windows are to be opened and closed by the staff. Students may be appointed from time to time.
- 11.5 All property belonging to the Academy is not to be defaced or vandalized in any way. **A student is responsible to report and pay for any Academy property or equipment** (windows, doors, etc.) that he or she damages.
- 11.6 All pianos should be used with care by those who have received proper permission. They should never be pounded, unduly moved around, or used for sitting.
- 11.7 Students are not to enter locked buildings or rooms without permission from authorized personnel. Entering through a locked door or opening a locked drawer will be regarded as breaking and entering.
- 11.8 Sunflower seeds are off limits in ALL school facilities and vehicles.
- 11.9 School- owned musical reproducing and playing devices may be used with permission only. Student-owned musical reproducing and playing devices should not be brought to school unless given permission by a staff member for a school- related purpose.

12.0 GYMNASIUM

- 12.1 Since the floors are the most expensive item in the gyms, students are asked to observe the following rules to keep them in good condition. Students are asked not to go barefoot, not to wear only socks without shoes, or to wear outside shoes when playing or walking on the gym floor. Students should be careful to walk so as not to damage the floor and always walk outside the blue boundary of the basketball court when wearing street shoes.

- 12.2 Students are to have an extra pair of gym shoes, other than those for daily wear, for use in gym classes or athletic activities.
- 12.3 Dressing rooms are to be kept neat and clean by placing all materials in their assigned places.
- 12.4 A non-school lock may NOT be used on gym lockers. A school lock may be obtained from the office for a small fee.
- 12.5 Any individual or group that wishes to use the Junior High gym must arrange with the office to have a reservation placed on the school calendar. Reservations are usually granted on a first-come basis. **School facilities are closed for use on major holidays.**

13.0 PLAYGROUND & CAMPUS GUIDELINES FOR ELEMENTARY

- 13.1 To maintain the appearance of the campus, students are asked to not climb trees, fences, or backstops.
- 13.2 The steel cable surrounding the practice soccer field is not for standing or sitting upon.
- 13.3 When proceeding in or out of the elementary classroom buildings, students are asked to use the stairs, and to not jump onto or off of the porch. While on the porch, extra care should be taken to not engage in dangerous activities such as forcing another students off, climbing on, or sliding down the guardrails or banisters.
- 13.4 Should a ball go across the road, permission by the supervising staff must be obtained to retrieve it.
- 13.5 For the protection of the windows, there is to be no ball throwing of any kind in, around, or near the classroom buildings.
- 13.6 The playground is bounded on the west by the sidewalk, the south by the southern edges of the asphalt and the fence, the east by the playground fence, and the north by the sidewalk in front of the elementary building. Students should not play on the grass surrounding the gym and the elementary building during recess. Students may also play on the practice soccer field, being careful to stay within the cable and out of the trees on the north side.
- 13.7 At recess, students should always play within sight of the supervising teacher.
- 13.8 When the supervising teacher blows the whistle, students are to leave immediately and line up at a designated place. Care should be taken to put away equipment which has been used.
- 13.9 Students should report any injury immediately to the staff person on duty.
- 13.10 All students will be required to go to recess outside unless they are retained for discipline or it has been requested by his/her parent due to illness.
- 13.11 Swinging double, standing while swinging, and locking hands or legs while swinging

are not permitted. Swings should not be twisted but should be allowed to hang freely.

13.12 Students should not stand on the slides or form a chain while sliding down.

13.13 Soccer is a popular and fun sport. Therefore students are asked to not slide tackle, as this may lead to injury.

13.14 Students are asked not to bring baseballs to school. Only softballs, or low impact balls should be used.

13.15 Students are not to stand on the top rail of the jungle gyms, or to push and shove while on them.

13.16 **Snowballs are not to be thrown before, during, or after school hours.**

14.0 CLEANLINESS AND ORDERLINESS

14.1 To keep our campus looking neat, students are asked to walk on the sidewalks, rather than taking shortcuts across the grass.

14.2 Students are asked to maintain a clean, neat, and cheerful campus at Berean. Students should not wear shoes that cause black marks on the floors. Waste paper and other items should be placed in appropriate containers.

14.3 Students are to keep their book lockers clean and tidy at all times. If pictures and posters are used to decorate, they must be attached **without tape** and must **reflect** Berean's standards. Lockers may be inspected from time to time. Students are expected to "clean" their locker space before they leave for the summer.

14.4 Gum chewing is at the discretion of the staff members.

14.5 Students are asked to help maintain the restrooms by observing the following rules: 1) Place waste materials in their proper receptacles. 2) Do not waste paper. 3) Do not hang clothing in the restrooms. 4) Do not mark on the walls. 5) Do not deposit paper towels in the stools.

14.6 Any group sponsoring an activity is responsible to clean the area used immediately following the activity.

14.7 **Musical instruments will be stored on the racks provided in the music areas.** Do not leave these in the halls, on the lockers, or in other locations around campus.

15.0 SOCIAL ACTIVITIES

15.1 Each senior high class and organization may schedule one social occasion during the year, and junior high classes may schedule one each semester.

15.2 Senior-high class dues will be paid to the Student Activity Fund and will be \$4.00 for freshmen and sophomores, \$6.00 for Juniors, and \$10.00 for seniors. Junior High classes will not have class dues.

15.3 All class and organization meetings are to be held with the permission and knowledge of the assigned sponsor.

15.4 Social activities planned for school nights must be concluded so the students will be back at the Academy by 10:00 p.m. Activities held in Newton/Wichita should still be planned with this principle in view.

15.5 Couples shall not isolate themselves from other students. When together, their conduct shall be in good taste, as becoming Christian young people. We advocate the **"Hands Off" policy**.

16.0 DRESS CODE

To apply to our attire the Biblical principle that we should not let the world "squeeze us into its mold," the dress code follows three main points: The dress must be **honoring to God**, be appropriate for the occasion, and be neat and clean. (I John 2:15-16)

We also believe that the Bible clearly teaches submission to authority. Therefore, we expect a willing spirit of cooperation from students and parents. **The Administration reserves the right to make the final decision in matters of judgment.**

If a student is observed in violation of the dress code, the disciplinary procedure will be as follows: For the first through third offenses the student will receive warnings. The parents may or may not be notified depending on the nature of the violation. The fourth offense will cause the student to receive an after-school detention and a notification to the parents. The fifth violation will merit a letter home and an interview with one of the Administrators. The consequence for a sixth violation will be an in-school suspension and immediate communication with the parents. During any suspension, students are given no credit for the work done in their classes that day.

16.1 Our desire is to honor God in all things, including the way we dress. Biblical principles which guide in this desire follow.

- 1) God designed clothes to cover the body (Genesis 3:21).
- 2) Men and women are to have different kinds of clothes (Deuteronomy 22:5).
- 3) The Christian is not to be fashioned or "conformed" outwardly or inwardly according to the world (Romans 12:1, I Peter 1:14).
- 4) We are to abstain from all appearance of evil (I Thessalonians 5:22).
- 5) Decency and modesty are to be followed in dress (I Timothy 2:9-10).
- 6) Long hair is a shame unto a man and a glory unto a woman (I Corinthians 11:14-15).
- 7) The inward adorning of the heart is to be emphasized rather than the outward appearance (I Peter 3:3-4).
- 8) Christians are not to love the standards the world sets in any area of life (I John 2:15-17).

Whenever there are Biblical principles, people interpret them in a variety of ways. The following guidelines are to help the student understand how Berean interprets the above principles.

For 7-12 the Dress Code is as follows:

- 1) For young ladies, dresses, skirts, and slacks may be worn. Long, full dresses and skirts are recommended. Tight, shorter skirts make sitting at a desk either uncomfortable or distracting to others. As a guide to determine if a garment is too tight, a thumb-width should be able to be pinched without stretching the material. When skirts or dresses are worn, the hem must reach the top of the knee. Slits in longer skirts must meet the same guidelines. If the skirt length is at the top of the knee, a slit is inappropriate. Tops and dresses with sleeves shall be worn. Tops worn with skirts or pants will be tucked in unless there is an even cut around the bottom. The top must be long enough to cover the top of the skirt/pants if the arms are raised. Young ladies may wear full length (ankle length or longer) slacks, not of denim or leather-like material. They are not to be snug, baggy, or saggy in nature. Clingy knit pants/leggings and overalls are not considered slacks and may not be worn. If a top is worn under a sweater, it must be tucked in. Tops should not have graphics on them. Smaller designer logos are acceptable. No **T-shirts** or sweatshirts may be worn except on days permitted by the Administration. This includes zippered sweat jackets. Young ladies need to realize the different positions they are in during the day – sitting at a desk, leaning over to talk to a friend, etc. – and wear tops that will not allow cleavage to be seen. Appropriate shoes are sandals, slides, or full shoes. **Flip-flops** are not appropriate.

Banquet dress for ladies should follow neckline and garment length stated for school dress. Sleeveless garments are allowed but the strap width should be a minimum of one inch.

Having the body pierced to wear jewelry, other than the ears, is unacceptable.

- 2) Young men will wear slacks, not of denim or leather-like material, and should not have drawstrings. They are not to be snug, baggy, or saggy in nature. The slacks must be free of holes or frayed hems. Shirts with collars must be worn, must be tucked in, and must not be oversized in appearance. Shirts with graphics on them are not acceptable. Sweaters may be worn over shirts that are tucked in. No T-shirts or sweatshirts may be worn except on days permitted by the Administration.

Young men need to have their hair neatly trimmed, off of the ear and shirt collar. Facial hair is unacceptable for students. Earrings or having the body pierced to wear jewelry is unacceptable. Billfold chains are prohibited.

16.2 Berean Academy believes clothing should be appropriate for the occasion. When students come to school, they are coming to work and learn and should be in the above prescribed dress during the school day. Shoes must be worn at all times. **Appropriate dress for formal events such as concerts or special meetings will be school dress.** For athletic events, plays, and outside activities, less restrictive dress is appropriate. No matter what the event, decency and modesty are the rule.

16.3 Berean Academy students should always appear in clothes that are neat and clean. (Biblical Principles 3,4,5,7,8)

The Elementary Dress Code is as follows:

- a. Elementary girls may wear slacks, jeans, dresses, or skirts during the school day. Dresses and skirts should be long and full. This allows for a much more active young lady. Tight, short skirts can make sitting at a desk uncomfortable and distracting to others. If a shorter skirt is worn, the hem must reach the top of the knee. Shorts should

be worn under skirts or dresses to allow for modesty on the playground. Shorts, skorts, capris, sweat pants, camouflage or exercise style pants should not be worn. Leggings are not acceptable unless a skirt or dress is worn over them. Clothing should be clean and free from holes and frayed hems. (Biblical Principles 1,2,3,4,5,6,8)

b. Elementary boys need to be sure their slack and jeans are neither too snug or too saggy and baggy. Shorts, sweatpants, camouflage, or exercise style pants should not be worn. Their clothing needs to be free from holes and frayed hems. Boys are not to wear earrings. Their hair needs to be neatly trimmed and off of the ear and shirt collar. All shirts must be tucked in with the exception of sweatshirts and sweaters. (Biblical Principles 1,2,3,4,5,6,8)

c. Both boys and girls should not wear plain white T-shirts. Shirts without collars can be worn, but they must be tucked in when worn by either girls or boys. Any design or writing on the shirt must be in good taste. The school Administration reserves the right to make the final decision for each individual case.

d. On special occasions the students may be allowed to wear modest length shorts. Parents will be notified when those days occur. Otherwise, shorts are not to be worn.

e. Full shoes and secure sandals may be worn. Flip-flops or sandals that can be kicked off easily are not appropriate. Shoes must be worn at all times in and out of the classroom.

17.0 MUSIC

17.1 The music of Berean Academy shall be consistent with scriptural teachings and the practices of the supporting churches and community in which it is located.

17.2 Since all music presentations of Berean Academy are to glorify God and minister to the hearers, the lyrics of sacred vocal selections shall be doctrinally sound and as clearly presented as possible.

17.3 Recognizing that music is not a static art, that it has from the beginning of time been constantly changing, we seek to discover the best in new Christian music. At the same time, we seek to keep alive the fine Christian music of the past. The lyrics, beat, and rhythm must be guarded against the cheap, loose, and immoral mores of our worldly society. The words of the music that students listen to or play shall not be suggestive, give reference to cheap love, or promote un-Biblical life-styles.

17.4 The words of all music are to be presented with clarity. No accompaniment shall interfere with the verbal understanding of the lyrics to be conveyed.

17.5 The purpose of music is to **honor God**. Therefore, the message is more important than the form. The content of the words and the message conveyed by a piece of music should be scrutinized to be sure it meets the mission and purpose of Berean Academy and is honoring to God.

17.6 Radios, cassette players and recorders, CD players, and other musical reproducing and playing appliances are not permitted on campus without permission.

18.0 SEXUAL HARASSMENT

- 18.1 Berean Academy is committed to maintaining a school environment in which all individuals **treat each other with dignity and respect**, which is free from all forms of intimidation, exploitation, and harassment, including sexual harassment. Berean Academy is prepared to take action to prevent and correct any violations of this policy. Anyone who violates this policy will be subject to discipline, up to and including expulsion.
- 18.2 "Sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from or in the educational setting under any of the following conditions:
- Submission to the conduct is explicitly or implicitly made a term or condition of an individual's academic status or progress.
 - Submission to, or rejection of, the conduct by the individual is used as the basis of academic decisions affecting the individual.
 - The conduct has the purpose or effect of having a negative impact upon the individual's academic performance, or of creating an intimidating, hostile, or offensive educational environment.
 - Submission to, or rejection of, the conduct by the individual is used as a basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through Berean Academy.
- 18.3 Unwelcome conduct of this type can include a wide range of verbal, visual, or physical conduct of a sexual nature. Among the types of conduct that would violate this policy are the following:
- Unwanted sexual advances or propositions;
 - Offering academic benefits in exchange for sexual favors;
 - Making or threatening reprisals after a negative response to sexual advances;
 - Visual conduct such as leering, making sexual gestures, displaying sexually suggestive objects or picture, cartoons, or posters;
 - Verbal conduct such as making or using derogatory comments, epithets, slurs, and jokes;
 - Verbal abuse of a sexual nature, graphic, verbal commentaries about an individual's body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes, or invitations; and
 - Physical conduct such as touching, assaulting, impeding, or blocking movements.
- 18.4 Employee-student sexual harassment is prohibited.
- 18.5 Student-student sexual harassment is prohibited.
- 18.6 Students who feel that they have been subjected to conduct of a harassing nature are encouraged to promptly report the matter to one of the school officials designated below.
- 18.7 Students who observe conduct of a sexually harassing nature, are also encouraged to report the matter to one of the school officials designated below. All complaints will be promptly investigated.

18.8 The following individuals are specifically authorized to receive complaints and to respond to questions regarding harassment:

- a. Terry Tilson, Superintendent, 799-2211 or 283-8058
- b. Galen Unruh, 7-12 Principal, 799-2211 or 799-2297
- c. Arleta Wiebe, K-6 Lead Teacher, 799-2211 or 799-2639

18.9 Every effort will be made to protect the privacy of the parties involved in any complaint. However, Berean Academy reserves the right to fully investigate every complaint and to notify a student's parent or guardian and appropriate government officials as the circumstances warrant.

18.10 It is against Berean Academy's policy to discriminate or retaliate against any person who has filed a complaint concerning sexual harassment or has testified, assisted, or participated in any manner in any investigation proceeding or hearing concerning sexual harassment.

18.11 When one of Berean Academy's school officials designated in this policy receives a complaint, he or she shall immediately inform the superintendent. The superintendent will direct an investigation. If the investigation confirms the allegations, prompt corrective actions shall be taken. The individual who suffered the harassing conduct shall be informed of the corrective action taken. In addition, any employee or student found to be responsible for sexual harassment in violation of this policy will be subject to appropriate disciplinary action up to and including expulsion and termination. The severity of the disciplinary action will be based upon the circumstances of the infraction.

19.0 WEAPONS POLICY:

19.1 Introduction - Berean Academy considers student possession of/ use of/ or threat of the use of weapons as a serious offense and will not tolerate such by students on school property, at school events, or at any other time while enrolled as a student. Statements made by a student claiming or boasting of a weapon at school or school event will be dealt with in the same manner as a "threat" below.

19.2 **Student Action** – Students who possess a weapon or who carry, exhibit, display, draw, or threaten any of these items apparently capable of producing bodily harm in a manner which, under the circumstance, manifests an intent to intimidate another or warrants alarm for the safety of others shall be subject to discipline up to and including expulsion.

20.0 MISCELLANEOUS

20.1 Students who may be interested in attending Berean are welcome to visit if their visit is **arranged for in advance**. Visitors must adhere to our dress code and will be required to register at the school office upon arrival. We do ask that all visitors wear name tags for identification purposes. There will be no visitors allowed during the first two weeks of school and the last week of each semester.

20.2 Student Council sponsors ice-breaker in the fall of each year. The junior high students have a retreat on the same day. All students are expected to participate.

20.3 Students may not enter the inner office area, except by permission of authorized personnel.

20.4 All materials placed on bulletin boards or on display must be initialed by a staff member. Notices on bulletin boards are not to be removed, defaced, or rearranged.

20.5 Generally, it is proper to leave other people's property alone unless permission has been received from the owner. Certain personal items (gym shoes, etc.) should not be used by someone other than the owner. Continuous borrowing of others' property becomes a nuisance. Provide your own supplies and respect the property of others as you wish yours to be respected. This especially applies to book lockers.

20.6 Students are not to concern themselves with materials on or inside a teacher's desk. Only when requested by the teacher involved should a student use or take materials from a teacher's desk or file.

20.7 Snowballs are not allowed to be thrown on campus property.

20.8 Fireworks or other explosive devices are not permitted on campus. Lighters, matches, and water guns are not to be brought to school.

20.9 "Lost and Found" items on campus should be turned in to the office. A fee of 25 cents is charged for reclaiming personal property from the Lost and Found. **Lost** and found items not claimed by the owner will be donated to a worthy cause at the end of each nine-

week period. Parents are welcome and encouraged to check the Lost and Found any time during the school year.

20.10 Students are expected to enroll in seven classes. Caution must be taken not to overload on extracurricular activities.

20.11 **Seniors may have two days and juniors one day for college visitation during the school year.** These may not be taken during the last week of school in first semester nor in the month of May. These will be regarded as field trips. Proper arrangement must be made with the **School Counselor**. Students also are expected to check with their teacher in advance to get work made up.

20.12 Grade records are kept by the individual teacher for the current year, dividing the grading period into quarters, each nine weeks in length. These are considered confidential between the teacher, administration, the student and the parent of that student. The A (90%-100%), B (80%-89%), C (70%-79%), D (60%-69%), F (59% and below), system is used for grades 3-12. Kindergarten through grade 2 have a progress system of grades which reflects each student's academic and social progress. That system is explained on each grade card.

The grading scale for grades 7-12 is:

A+98-100	B+..... 87-89	C+.....77-79	D+ 67-69	
A..... 94 – 97	B..... 83-86	C.....73-76	D.....63-66	
A-.....90-93	B-.....80-82	C-..... 70-72	D-.....60-62	F.....0-59

20.12 **Elementary Only:** Grade cards will be sent home after the end of each quarter. Parents should review these, sign them and return them to the child's teacher in a timely manner. There will be a charge of \$5.00 for each grade card which must be replaced. Grade cards may be retained at the end of the academic year.

20.14 Grade point averages will be figured for all classes that 7-12 students are enrolled in. The four-point system will be used. Pluses and minuses will be used in determining Senior class rank.

20.15 Scholastic eligibility for school representation in extracurricular activities will be 2.0 for junior high and senior high. The student must also be in good standing.

20.16 A student may not participate in after-school extracurricular activities if he/she is on behavior probation or has not attended four consecutive classes the day of the activity.

20.17 The grading period is based on nine-week intervals. Student Honor Rolls will be named for the first nine weeks, first semester, third nine weeks, and second semester. A student may qualify for one of three levels of the Honor Roll as noted: Gold Honor Roll 3.8 – 4.00; Silver Honor Roll 3.6 – 3.79; and the Bronze Honor Roll 3.30 – 3.59.

20.18 **Twenty-four (24) units of credit are required for graduation.** These units include one year of Bible credit for each year in attendance and the Kansas Board of Regents Units required for college admission which are: 4 units of English, 3 units of natural science, 3 units of math, 3 units of social science, and 1 unit of computer technology.

- 20.19 Parent/Teacher conferences are scheduled during the first and third quarters. Teachers are expected to keep parents informed of any continuing academic, or social deficiencies in a loving, caring and timely manner.
- 20.21 The use of tobacco in any form, non-medicinal drugs in any form, and all alcoholic beverages are considered a poor example of Christian conduct and harmful to the body. Therefore, students are required to abstain from using them. Our standard is **TOTAL ABSTINENCE** at school, at home, and any other place or time.
- 20.22 Berean students may not play with traditional cards on school premises, school vehicles, or in any school-sponsored activities because these cards are considered offensive to many Berean patrons due to the gambling connotation. Berean's policy is to follow the admonitions of Romans 14:21b and I Thessalonians 5:22.
- 20.23 Student participation in social dancing, whether in association with school-sponsored activities or outside of such activities, is inconsistent with the standards of Christian conduct upheld by Berean Academy. Such dancing frequently jeopardizes young people sexually and often is accompanied by music inappropriate for Christian young people. We ask that students refrain from such dancing and thereby uphold Biblical standards of not allowing *any hint of sexual immorality* in their lives (Ephesians 5:3, Philippians 4:8, I Thessalonians 5:22).
- 20.24 The office may not dispense any medication without written or direct oral permission from a parent.
